5. Contacting Expedia®® Support via Email		
For non-urgent matters, emailing Expedia®® is a viable alternative. Although response times may be slower, this method provides written records of your issue and any correspondence		
related to its resolution.		
6. Guide: Speaking to a Live Person by Phone		
Follow the automated prompts and select the option that best fits your concern, such as "existing		
reservations" or "technical support." If asked to provide your itinerary number but you don't have it, pressing "0" can sometimes skip this step. When prompted to specify your request, saying "agent" or "representative" can often expedite the process.
